**FEEDBACK ANALYSIS AND ACTION TAKEN REPORT
2013-14**

Preamble

The development of any organization, especially a government aided college, heavily depends upon a well functioning feedback system. It requires a thorough preparation to initiate, launch and implement the feedback system. The college has been practicing formal feedback system accommodating all the stakeholders including students, alumni and parents from the inception of IQAC (2009), to help the individuals and the institution as a whole, to improve the performance and effectiveness.

Feedback Analysis and Report

Every year, the IQAC collects feedback from the students, alumni and parents through well prepared questionnaire. The feedback is scientifically analysed appropriate steps were taken for the enhancement of quality education.

The following results are drawn from the analysis of the collected feedbacks.

Feedback from alumni

An alumnus is one of the important support system in the college. The college use alumni in all the activities and programmes of the college. IQAC collects feedback from the members of the alumni association. From the analysis it was found that they are satisfied with the teaching methodology and quality of education of the college with regard to the infrastructure, they are always ready to extend their helping hand and rendered support in improving the laboratory facilities. The suggestion of the alumni and their physical support are utilized for the grand success of the College Golden Jubilee celebrations.

Feedback from the parents

All departments conduct parents' meetings periodically to discuss about the students' academic performance. Parents are satisfied with the mentor mentee system through which a mentor has a close check on the students' academic performances and behaviour. Parents' valuable suggestions are taken into account and implemented whenever and wherever necessary. IQAC advice the department heads to give extra coaching and care to the poor students as suggested by the parents.

Feedback from the students

Formal feedback is collected from the students at the end of the every semester and academic year. Every faculty member is judged with regard to course content, their teaching and

evaluation process. A higher score shows a positive agreement with the statement put forth in the questionnaire.

1. To the questions which are asked with regard to course content, the students are satisfied and have awarded higher score between 3.5 (Good) and 4 (Very Good) out of 4. In some courses students awarded full marks.
