The Kandaswami Kandar's College is committed to provide all necessary technical support to help every person with a disability on campus achieve full empowerment and self-esteem. This will be accomplished by creating an inclusive environment that equalizes opportunities, allowing students with disabilities to fully benefit from their untapped talents and contributions. It is the responsibility of all staff and students to proactively assist differently-abled students without waiting for a request. The campus should be made barrier-free, ensuring that differently-abled students can navigate and move around without encountering obstacles.
