

KANDASWAMI KANDAR'S COLLEGE, VELUR – 638 182

DEPARTMENT OF CHEMISTRY

REPORT OF THE INDUSTRIAL VISIT TO AAVIN

- 33 students (5 girls and 28 boys) of III B.Sc. Chemistry accompanied with 3 teaching staff (including one female staff) and 3 non - teaching staff (including one female staff) started to visit The Erode District Cooperative Milk Producers' Union Ltd, (Aavin), Chithode, Erode on 24.03.2023 at 10.30 am using the college bus and reached there at 11.45 am.
- The staff of Aavin received the students and explained the various processes involved in Aavin. The milk collection from tankers and pre-treatments given to raw milk were explained. The manufacture of khoa, butter and ghee were briefed to the students. The process and packing of various types of milks such as toned milk, double toned milk, etc. were described. The process of converting raw milk into powdered milk was explained.
- Finally, the students visited the effluent treatment plant and the methods of recycling wastewater generated from the processes of Aavin were explained. After having lunch and milk products in the Aavin canteen, the student and staff started to college at 03.00 pm and reached the college premises at 04.15 pm.
