

Zoology Association Activities

Zoology Association was inaugurated by Dr. L. JAGADEESAN, Scientist National Institute of Oceanography, Visakapattinam, Andra Pradesh and the topic of the lecture is Introduction to Marine Environment. The Chief Guest is an alumni of our department, He did his UG in our college during 2002-2005 and got Gold medal in the Periyar University.

He gave a speech about marine environment and also delivered a beautiful lecture on prawn culture, farming and marketing. He also gave suggestions in entering into central government institutions while doing higher studies through projects, interior training etc., Students also had interacted with the chief guest and gained knowledge.
