

Report on Internship Training
The Unique Micro Computers (Karur) Private Ltd
(21.06.2023 to 10.07.2023)

Kandaswami Kandar's College, Velur, Second Year UG and PG Students of Department of Physics undergone a two-weeks internship training at The Unique Micro Computers (Karur) Private Ltd. The main objectives of the internship training programme are to help students gain hands-on professional work experience prior to their graduation. • To provide students possible opportunities to learn, understand and sharpen the real-time technical, managerial and life skills required at the job. • To familiarize students to the business environment, which cannot be simulated in the classroom; thus, creating competent professionals for the industry.

The internship training programme was very useful to enrich the technical knowledge about Printer service, software and Hardware skills, CCTV camera service etc. for the Physics students. The Director of the UMC Mr. N. Elavarasu, Alumni of Physics issued the certificates to the students.
